Poster Session

EXHIBITION OF RESEARCH & ACADEMIC PROJECTS

We will include a Poster Session for academic works in the next 6th. Seed Congress of the Americas.

Information provided by individuals or teams from universities, national institutes and companies will be presented in a poster session. We invite you to participate sending your summary to **posters@saaseed.org**

The Comittee will select 20 works to be part of this important event.

The topics included are:

- Seed analysis
- Plant breeding
- Biotechnology
- Seed production
- Seed trade
- Seed applied tecnologies
- Seed related projects

General considerations

You are recommended to condense the theme of your poster so that the observer may grasp its ideas including the goals, methods, results and conclusion within a few minutes. Use letters large enough to be read at a distance of 1 meter.

In order to present a poster at the forum **you need to be registered**. Please note that there is limited space available and poster space is assigned on a first come first served basis (subject to checks and successful registration).

Innovation Floor sponsored by Bayer CropScience
